**Function:**

**1) Establishment of an Agency for Reporting Agricultural Statistics:-**

The scheme "Establishment of An Agency for Reporting Agricultural Statistics" has been implemented in the district under the technical and administrative guidance of Directorate of Economics and Statistics, Orissa, Bhubaneswar of Planning and Co-ordination Department. The scheme aims to fulfill the following objectives.

Formation of estimates of Area, Yield rate and Production of 14 important crops like Paddy, Wheat, Maize, Ragi, Mung, Biri, Kulthi, Til, Groundnut, Mustard, Jute, Potato, Sugarcane and Niger.

Important information like Cropped area irrigated from different sources of irrigation, Cropped area under high, medium and low lands are also collected and Estimates also formulated.

For the above purpose two types of sample surveys are being done by this office in 20% Selected Sample villages every year in all seasons i.e. Autumn, Winter and Summer.

- 1) Area Estimation Survey:- All plots of each selected sample villages are being surveyed for recording the land use and crop use in each crop season.
- 2) Yield Estimation Survey:- Crop Cutting experiments are being conducted in the selected plots under different programmed crops in all seasons.

After completion of different phases of survey the filled-in schedules are being sent to the Directorate of Economics and Statistics, Orissa, Bhubaneswar as per the date line fixed by them for preparation of estimates.

## **2) DISTRICT STATISTICAL HANDBOOK (DSHB)**

Collection of data from different offices and submission of manuscript copy to Directorate of Economics and Statistics, Orissa, Bhubaneswar for approval and publication of District Statistical Hand Book biennially.
